Simplify Your Year

Book Fairy^{EM}
HELPING YOU MAKE YEARBOOK MAGIC

We put your yearbook together and
you just proof and approve!

Design!

Book FairySM makes layouts a snap. We help you organize your yearbook into page spreads, then complete the design with your personalized Quick CreatorTM theme—or any layout you like! Collect your photos on a CD, and simply click to select and upload into the spreads.

Decorate!

We make adding a personal touch to your yearbook fun and easy. The School Annual Online Quick CreatorTM tool gives you lots of options for decorating every page. A few clicks to upload—and then you're ready to print.

Now it's even easier to capture the moments that matter.

Delivered On-time & On-budget...like Magic!

Enhance!

School Annual by Jostens offers dozens of yearbook enhancements to make your project shine. Options include:

- Foil-Stamped Personalization
- Foil-Stamped Icons
- Spring Memory Pages
- Flashbax[®]

Promote!

Without the design to worry about, you have more time to promote your yearbook and improve your sales figures throughout the school. We provide customized sales materials to help support your efforts.

HELPING YOU MAKE YEARBOOK MAGIC

Collaborate!

With Image Share, you'll have tons of great shots to choose from—because Image Share uses the power of social media to capture snaps from the entire parent body! Users simply click into a link you provide and upload photos from their computer or smart phone.

Relax!

The combined power of Book FairySM and Image Share lets you sit back and simply enjoy your children and their achievements—without the constant worry about pulling the yearbook together. So go ahead and enjoy that basketball game! We've got you covered.

It's magic! Let the
Book FairySM take the work
out of your yearbook.
